Note: One half (1/2) ton trucks, rated by the manufacturer, will be registered for a gross vehicle weight of 7,000 pounds, or may qualify for 10,000 pounds with modifications, such as the addition of heavy duty springs, heavy duty shocks, axles, front wheel drive, etc.

Three quarter (3/4) ton trucks, rated by the manufacturer, will be registered for a gross vehicle weight of 7,000 pounds, or may qualify for a gross vehicle weight of 10,000 pounds if the shipping weight of the chassis and battery is more than 1,500 pounds.

To increase the weight of a one half (1/2) or three quarter (3/4) ton rated truck the vehicle owner must complete certification on the other side of this form.
